

# **Summary of the paper:**

Ignacio Monardes

January 25, 2026

## **Reference**

**Authors:**

**Title:**

**Conference/Journal:**

**Link:**

## **1 Motivation**

Current problem

Relevance of the problem

Hole in the literature / previous limitations

## **2 Idea**

Main Idea

Innovation

## **3 Methodology**

Modeling

Assumptions

Architecture

## **4 Experiments**

Environments and datasets

Baselines

Settings

## **5 Results**

Good and bad performance in different scenarios

## **6 Critical Discussion**

Strength

Weakness

Questionable assumptions

What it is not clear

## **7 Conclusions**

Personal opinion

¿Is it a good contribution?

¿Would I use it on my investigation?
